SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. Section 1.97, Applicant submits herewith patents, publications or other information of which he is aware that he believes may be relevant to the examination of the above-referenced application, and in respect of which there may be a duty to disclose as listed on the enclosed Form PTO-1449. Consideration of each of these documents by the Patent Examiner, and the making of each of them of record in the file of this application, are respectfully requested.

The filing of this Information Disclosure Statement shall not be construed as a representation that an exhaustive search has been conducted, an admission that the information cited is, or is considered to be, material to patentability, or that no other relevant information exists.

The four documents were first cited in a search report in a counterpart foreign application no more than three months before the filing of this paper. The one non-English document (designated as B4 on the attached Form 1449) was cited in a search report in a counterpart foreign application, such that the requirement for a concise explanation of relevance is believed satisfied by the accompanying English-language version of the Search Report or action which indicates the degree of relevance found by the foreign office.

No additional fees are believed to be required in connection with the filing of this Statement. However, please charge any necessary fees or credit overpayment to Deposit Account No. 19-3140. A copy of this authorization is enclosed.

Respectfully submitted,

SONNENSCHN NATH & ROSENTHAL
